Subject: Resignation Letter

I would like to inform you that this is my formal resignation from the position of Software Engineer, ShodaiMama engineering department, effective today, February 26, 2022. Regrettably, I am no longer be able to fulfill my duties here at ShodaiMama. **I am resigning for personal reasons.**

It is my intention to make this transition as hassle-free as possible. I'll provide the proper documentation of Back end APIs and architecture of ShodaiMama as soon as possible, for this documentation, as I mentioned earlier, I need help and proper information from the department head and the ex employees also. Through online I can communicate with them to discuss the architecture.

I sincerely appreciate the opportunities that I've had at ShodaiMama.

Sincerely,

Saima Afrin
